GiveTrack™

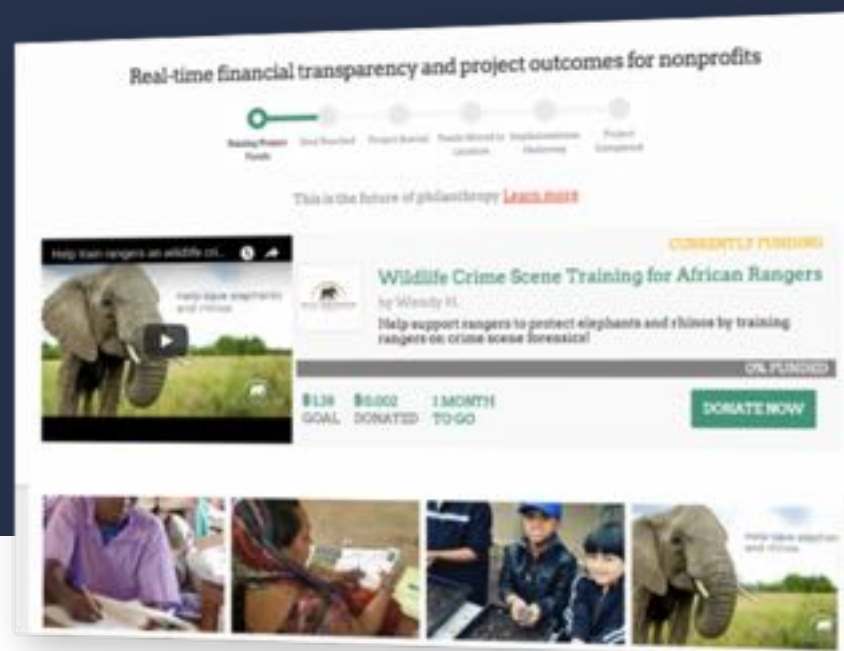

GiveTrack is a platform nonprofits use for taking donations and sharing with donors exactly how their contributions are used while tying donations directly to a project result.

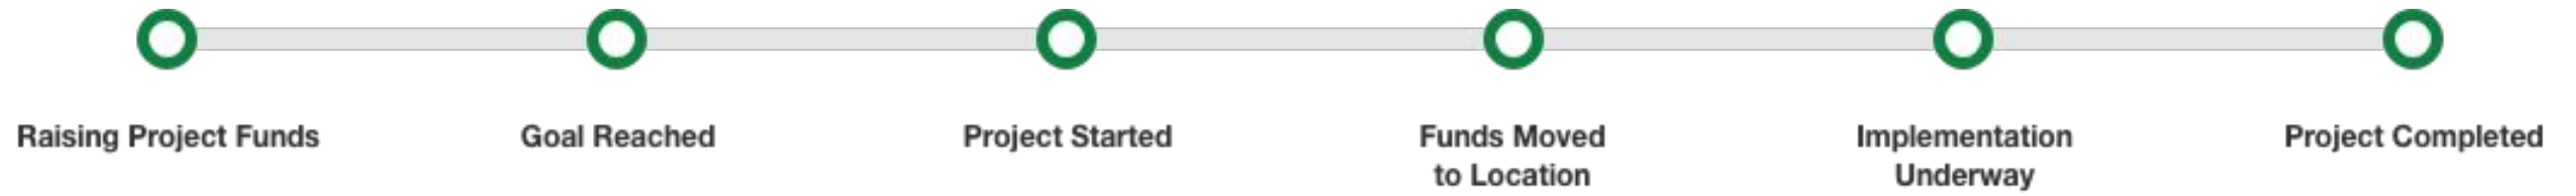

TRADITIONAL NON PROFIT SYSTEMS

- Limited Financial Services
- Transaction & Service Fees
- Vulnerability to Fraud
- Lack of Transparency
- Long Wait Times

THE GIVETRACK SOLUTION

- Access virtually anywhere
- Low to no fees
- Cryptographic security
- Transparency in real time
- Fast settlement w/ confirmation

HIGHLIGHTS

Blockchain technology allows donors to trace transactions on a public platform in real time

Donors can see how funds are spent and ensure they reach their final destination

Project results are shared for direct engagement with donors
